What does your banquet staff do?

Banquet staffing is included in all wedding packages - we fully staff your event and make sure the event runs smoothly. Our banquet staff will refill beverage station dispensers and/or water pitchers on tables, set out/refill snacks and desserts, keep tables cleared of trash/dishes, empty trash cans, maintain clean and stocked bathrooms, and assist with ballroom setup changes (i.e. clearing ceremony chairs, removing tables from dance floor). Staff may also assist with lighting/turning on candles, dismissing tables for food lines, serving plated meals to the head table, and/or helping gather décor at the end of the evening.

Is a deposit required? When is the full balance due?

50% of the rental fee is due immediately upon signing the contract. The event date is not secured until payment is received. The remaining 50% is due six months prior to the wedding date.
